Dear Fellow Parents,

## URGENT

The School Society (BOSS) is in need of some urgent help! We have some super events planned for you this year –

**Halloween Party**

**Bonfire Night**

**Burns Night**

**Garden Party**

**Summer Ball**

We also have some other really interesting fundraising projects too –

**Parent Business Directory**

**Educational Top Trumps**

**Christmas Cards**

**Car Boot Sales**

But we are seriously lacking helpers for these great projects and events. All of the above benefits our children and in doing so we can have good fun and meet some good friends (and business contacts). So please could I ask you all to seriously consider how you could help us, we are looking for help in all sorts of areas like – **marketing, decorating, brainstorming, advertising, or just general helping hands**. If you can spare just half an hour or may be an afternoon to help at one of the fundraising events please contact me.

Just because you offer your name as a helper DOESN'T mean you are going to get roped in for running a whole event! So please give us a hand to help your children.

Many thanks

Joe Appleby
